

Do you want to  
tell her it will have  
to wait 'til morning?

**Nightlight**  
pediatric care

*When it can't wait 'til morning*

Kids don't always get  
sick at convenient  
times. That's why we  
created Nightlight.

*When it can't wait 'til morning*

- Open when your doctor's office is closed
- Board certified pediatricians
- Asthma room and an area just for sore throats
- Full service lab and x-ray department
- Located inside the Bowie Health Center, the only free-standing emergency center in Maryland
- We follow up with your doctor the next morning

Conveniently located in the Bowie Health Center on the Bowie Health Campus, 15001 Health Center Drive, Bowie MD.
